## GYMNASTICS REGISTRATION CARD TUITION AGREEMENT

I have read, understood, and am in agreement with the information contained in this brochure and give my child, who is in good physical health, permission to participate in the Mid Island Gymnastic program.

I understand that if I withdraw my child before the 5th meeting of his/her class, the insurance/registration fee is non-refundable and I will be charged for those classes that have met and the remainder of my tuition will be refunded. If I do not notify Mid Island Gymnastics before the 5th class meeting I am liable for all fees and tuition for that term.

### RELEASE

By the very nature of the activity, gymnastics carries a risk of physical injury. No matter how careful the gymnast and the coach are, no matter how many spotters are used, no matter what height is used on what landing surface exists, the risk cannot be eliminated. Reduced, yes, but never eliminated. The risk of injuries includes minor injuries such as bruises and more serious injuries such as broken bones, dislocations and muscle pulls. The risk also includes catastrophic injuries such as permanent paralysis or even death from landings or falls on the back, neck or head. Gymnastics, or any activity that involves motion, rotation, and height in a unique environment carries with it a reasonable assumption of risk. Mid Island Gymnastics is bound by law to inform all participants and their parents or guardians of the risk involved in the activity of gymnastics. Anyone participating in the Mid Island Gymnastics (along with those legally responsible for the participants) must sign the notice on the application and must adhere to the safety rules governing the gymnasium.

In consideration of Mid Island Gymnastics acceptance of the applicant(s), and in consideration of the applicant's opportunity to improve gymnastic skills through the use of Mid Island's staff, equipment, and the facilities, those legally responsible for the named enrolling student(s) realizes the risk of injury involved and hereby agree to assume the responsibility of such for said student(s) and further agree to save and hold harmless the said school, it's employees, and all others concerned, and to indemnify them against loss. Intending to be legally bound, our signature is offered hereto: By signing below I acknowledge the above release and agree to abide by the Rules and Regulations as set forth in the brochure.
